Dear Bill:

The next meeting of the National Drug Enforcement Policy Board is scheduled for May 29 at 10:00 a.m. As you can see from the enclosed proposed agenda, we have many important items to discuss.

Cooperation with Mexico on drug control matters has recently deteriorated. I propose to put this item last on the agenda and have a principals only discussion of this Administration's policy regarding Mexico.

I look forward to seeing you next Thursday.

Sincerely,

Edwin Meese III
